SLA-St. Louis and Tampa have a great little addition to their clubs. This is the 5th year for the Show Kids of America Club. They are up to 64 members and are having a ball.

Sunday the club had their annual banquet. President Jordan O'Rourke had a wild and crazy 60's theme. New President Jamie O'Rourke is having bee-bopping 50's diner theme. We are in the process of building a float for parades this summer.

More importantly their fundraisers support many great organizations and causes. Last year they donated \$1,000 to the St. Louis Scholarship Fund, \$180 to the World Wide Past President's scholarship fund, Toys for Tots, Ronald McDonald House in St. Louis and Lovin Livvie Autism Research fund. We are so proud of the commitment and enthusiasm these kids are showing. They make us stop and think what our industry is all about- and the future looks good.

We are looking for Sponsors to help the kids with their events and fundraising. In return they will send you a certificate of appreciation and mention in their yearbook but most importantly lots of smiles :) Thanks for your support the kids will be in touch.

The Directors: Theresa Noerper | Carla Sedlmayr (Tampa)
